# CPR Event Review: Part I - Hot Debrief

## CHOP PICU Post-Event Care Review

**This information is privileged and confidential - Peer Review Work Product**

---

**Advice for Team Debriefing:**

1. Try to find a quiet, isolated place. Anyone present during the event may lead the debriefing. Debriefing leader should start by thanking team members for being present.
2. State: "The purpose of debriefing is to improve the quality of medical care by CHOP providers; it is not a blaming session. Everyone's participation is welcome and encouraged."
3. State: "We will briefly review the patient's summary and then we can discuss what went well and what could have gone better. Please feel free to ask any questions."
4. State: "All information discussed during the debriefing is confidential."
5. Please limit debriefing to 10 minutes.

---

### Fill out this section BEFORE the debriefing

<table>
<thead>
<tr>
<th>Team discusses whether to do a debrief</th>
